

Single Equality Action Plan

Introduction

Holy Family Catholic Primary School is committed to challenging discrimination and promoting equality at all levels and in all aspects.

On **1st October 2010, the Equality Act 2010** replaced all existing equality legislation such as the Race Relations Act, Disability Discrimination Act and Sex Discrimination Act.

Key Points

- The Equality Act 2010 provides a single, consolidated source of discrimination law.
- Schools cannot unlawfully discriminate against pupils because of their sex, race, disability, religion or belief and sexual orientation.
- There are some exceptions replicated in the act – e.g. content of curriculum, collective worship, admissions to single sex schools and schools of a religious character

The Equality Act 2010 introduces a **single equality duty** on public bodies which will be extended to include all of the following protected characteristics:

- Race
- Disability
- Sex
- Age
- Religion or belief
- Sexual orientation
- Pregnancy and maternity
- Gender reassignment

This combined equality duty came into effect in April 2011 and has three main elements. In carrying out our function, Holy Family Catholic Primary School is required to have due regard to the need to:

- Eliminate conduct that is prohibited by the Act
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it
- Foster good relations across all characteristics – between people who share a protected characteristic and people who do not share it

Where schools are concerned, age will be a relevant characteristic in considering their duties in their role as an employer but not in relation to pupils.

The Act introduces **specific duties** which are designed to help public authorities to meet their combined duty obligations.

- Collect analyse and publish information about their progress in achieving the 3 aims of the legislation.
- Decide on certain specific and measurable objectives that they will pursue over the coming years to achieve these aims and publish these objectives (outcome focused objectives) then at yearly intervals
- Engage with people who have a legitimate interest including all staff, all parents and pupils, local groups, organisations and individuals as appropriate

The **Governing Body** has responsibility for making sure that the school complies with the Single Equality duties.

This Equality Scheme will help us to achieve our aims and give us a framework for action.

Vision and Values: Holy Family Catholic Primary School's Equality Scheme

'At Holy Family we grow, learn and succeed in the footsteps of Jesus'

Our Mission Statement and values are built around providing a secure, collaborative and purposeful learning culture, where all pupils and staff are valued, cared for, listened to and challenged to be the best they can be whilst walking in the footsteps of Jesus. We are equally ambitious for all pupils and staff irrespective of disability, race, colour, religion, gender, background. Inclusion is central to our Catholic ethos and practices.

Leadership and commitment at all levels of the organisation are central to the success of the scheme. In everything we do, we will consider how we can ensure that we do not consciously or unconsciously discriminate against or disadvantage individuals or groups, and we will seek opportunities to promote equality and diversity wherever we can.

We want to develop a more demonstrably fair and supportive environment for our staff. We promote diversity and equality in employment at Holy Family Catholic Primary School. We aim to have a well motivated workforce where all colleagues are treated fairly and with respect.

The National Curriculum Inclusion Statement reminds us that all teachers are required to follow three inclusive principles:

- Setting suitable learning challenges, enabling all children to experience success and achieve as high a standard as possible through appropriate differentiation.
- Responding to pupils' diverse learning needs by:
 - creating effective learning environments;
 - securing their motivation and concentration;
 - providing equality of opportunity through teaching approaches;
 - using appropriate assessment approaches;
