Welcome Back!

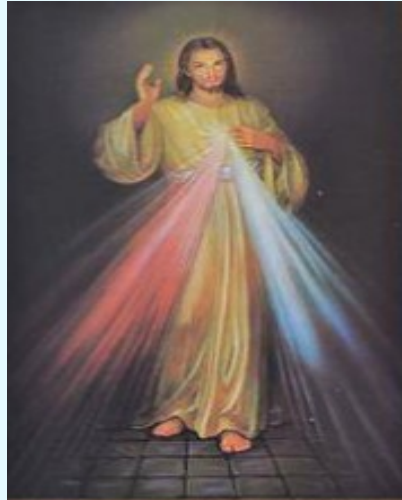

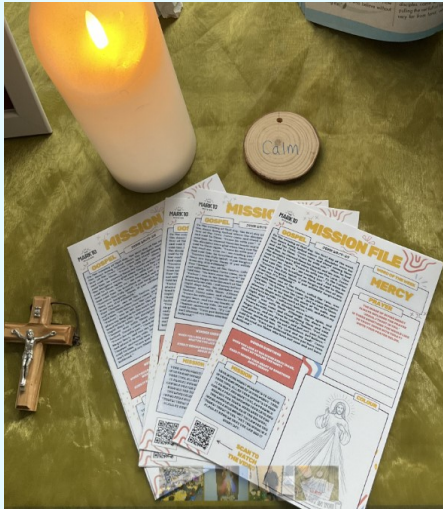

We hope all of our families enjoyed a restful and joyful Easter break. It has been great to see the school so full of energy again and having such wonderful learning opportunities taking place across all year groups. A special treat this week has been seeing so many children arriving in their smart summer uniforms—always a cheerful sign that brighter days are ahead. Lets hope the weather starts to be kind to us so we can make the most of the season!

Have a look at what we have been up to...

Divine Mercy Sunday

We began the week with a reflective assembly focused on Divine Mercy Sunday, reminding us of God's everlasting love and compassion for each one of us. The children listened beautifully as we explored the message of mercy, forgiveness and hope and how we can show this same kindness to others in our daily lives. It was a meaningful start to the week and set a positive tone for the learning and interactions ahead for this half term.

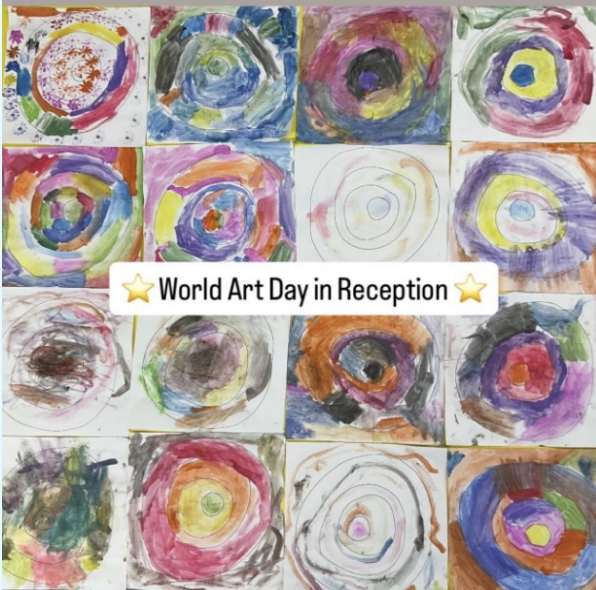

Bikeability

Our Year 6 pupils took part in bikeability this week and represented our school with such enthusiasm and maturity. They approached their day with determination, listened carefully to the instructors and demonstrated very good skills. We were very proud of the confidence they showed while developing such important life skills and we were especially pleased when the instructors commented on our lovely children and school. Well done Year 6!

World Art Day

This week we celebrated World Art Day with imagination, colour and creativeness. Our children embraced the theme experimenting with bold ideas and new techniques. Such a wonderful way to let their creativity shine and using the power of art to inspire and bring joy to school. Well done children.
