Respectful Parking and Conduct

Dear Parents,

We have recently been contacted by a local resident who came into school to raise a serious concern regarding parent parking in the local area. The resident reported that cars have been blocking their driveway, and on asking the driver to move, they were met with verbal abuse.

We would like to remind all of our families that our **Parent Code of Conduct** and our **School Values** apply not only on our school grounds but also in the community around our school. Old Hall Road is an extremely busy road and the safety of our children and their families is paramount. Could we please ask that families dropping or picking up children, ensure that you are parking safely, legally and respectfully at all times. Our relationships with our neighbours are important to us and we must work together to uphold the standards of behaviour that we expect from our school community.

Thank you for helping us to keep our school environment safe, respectful and welcoming for everyone.

Yours Sincerely,

Mrs C. Sharvin
