Holy Family News

Hello everyone!

Happy Friday to you all. Another fantastic week full of learning here at Holy Family. Our children have shown excellent curiosity and creativeness in the classrooms from tackling new challenges to celebrating their successes. Our Eco Team have been looking after our school, while Year 6 were learning how to take care of themselves and keep safe when they attended crucial crew. Take a look at some of our learning below.

Have a fabulous weekend everyone.

Year 6 Crucial Crew

Our Year 6 pupils visited Crucial Crew this week, taking part in a series of interactive workshops all focused on keeping themselves safe. They learned from the Transport Police about staying safe on public transport, explored how to make smart decisions on our roads and the Metrolink, and gained important life skills as they prepare to move onto high school. It was a valuable and empowering experience for all involved.

Holy Family Eco Team

Our Eco Team took part in a school-wide litter pick this week, helping to care for our grounds and protect the environment we all share. Inspired by Pope Francis', Laudato Si, the pupils put their faith into action by looking after our common home and encouraging

others to do the same. Their efforts are a reminder that small acts of stewardship can make a big difference .

Uniform Policy

A big Thank you to you all for your continued support in upholding the school uniform policy. The expectations have not been changed for some years and we truly do appreciate your efforts in ensuring that the children arrive to school in the correct uniform. Please remember this includes the wearing of school ties, the correct colour of socks or tights, correct school shoes and also plain black jogging bottoms and hoodies on PE days. No earrings are to be worn and no devices will be allowed in school, including mobile phones (these will be kept with class teacher) or smart watches. Your cooperation helps us to maintain high standards and also ensures that we keep your children safe whilst at school. Thank you for your understanding.

Healthy School.

As a healthy school, can we also kindly remind our families that break time snacks should be limited to a piece of fruit or vegetables. We will monitor this to ensure that all children have a healthy option with them for break. We do allow the children on packed lunches to bring some other options at lunch time. Thank you once again for your understanding and continued support promoting positive habits and wellbeing across our school community.

Punctuality

Please can all parents ensure that children arrive on time each morning. Our gates open at **8.40am** and close at **8.55am**. It is important that all children are in school before the gates close so that they can receive their attendance mark and be settled in time for the start of the school day. Morning tasks will be set out for children during this time from **8.45am**.

This will help to create a smooth and positive start each morning for the children.
