Hello everyone!

Our first week has been a busy one and the children have coped so well. Some tired children and adults by this afternoon though! It has been lovely to see all our children full of enthusiasm in school but we are particularly proud of our Nursery and Reception classes who are settling well into their new class routines. It's been a great start to the year and we're excited for what lies ahead.

As we begin the year, please take a moment to check the notices and 'Dates to Remember' section which will help everyone to keep up to date with important information like Curriculum Evenings, Parents' Evenings and other special events.

Label, Label, Label!

Please make sure all uniform has your child's name on it as this makes it much easier to return if it is lost or put down somewhere.

The children all looked very smart coming into school this week. A few children were in white shirts without ties. Red ties can be purchased from the school office

Please make sure children have a coat every day in school. We try and get the children out even when there is a slight drizzle.

We also advise that children with hair past their shoulders should have their hair tied back as this will help to prevent the spread of head lice.

Earrings are not allowed to be worn by children—no matter how tiny. Please make sure ALL earrings are removed, thank you.

PE Kits

We have a few children wearing some random items of clothing for PE which are not part of the uniform.

Children must wear a **plain white t shirt or polo shirt**

Plain black tracksuit bottoms, leggings, shorts or skort

Plain black sweatshirt.

Parents' Evening

There will be an opportunity to speak to your child's teacher at our Autumn Parents' Evenings. They will take place on Monday 13th October and Wednesday 15th October for EYFS and KS1 and then Monday 20th and Wednesday 22nd October for KS2. All parents will be able to book an appointment a couple of weeks before.

Parking

We have been made aware of a safety concern regarding parking near the church parking gate. Some people have parked their cars right by the parking gate which creates a blind spot for drivers. This makes it difficult to see oncoming vehicles or pedestrians which could potentially lead to accidents.

Could we kindly request that parents avoid parking in this area to maintain the safety of both drivers and our pupils.

Thank You.

Reflection

*What will this year bring? We do not know;
It will bring its usual times of work and play, experiences of success and failure,
All the things that are part of school life.
It is a new beginning;
The planting of a seed that will grow for a year. The seed of fruit that will blossom in times to come.
It is new hope;
Hope for good work, for successful results, for friendships, for fun, for learning.
In this coming year, may there be learning, prayer and fun.
May there be hard work, faith and friendship.
May no one in this school be lonely; May no one be left out in class;
May no one suffer through the others here.
As we begin this year in hope, in prayer and in friendship. May the Lord begin it with us, be with us during it,
And successfully bring it to its conclusion.*
