Dear Parents,

We would like to remind all families of the importance of following our **48 hour policy** when children have experienced sickness or vomiting. This time frame follows the guidelines that are advised by the NHS. If your child has been unwell with a vomiting bug or diarrhoea symptoms, please keep them at home for a full 48 hours after the last episode. This helps to prevent the spread of germs and keeps our school community as healthy as we possibly can.

At this time of year, bugs and seasonal illnesses are still circulating, so taking precautions is especially important.

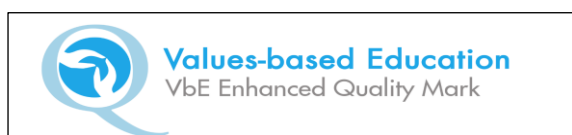

We also kindly ask for your support in talking to your children at home about good hygiene habits. Please remind your children about the importance of washing their hands thoroughly after using the toilet and we will, of course, ensure that hand washing takes place before eating, here at school. These simple steps make a big difference in preventing illnesses from spreading.

As always, school will continue to take the necessary steps to maintain a clean and hygienic environment. Our staff will ensure that all surfaces and areas are wiped down regularly and thoroughly cleaned to help reduce the risk of transmission.

Thank you for your continued support.

Your Sincerely,

Mrs C. Sharvin
Headteacher.

'At Holy Family we grow, learn and succeed in the footsteps of Jesus.'
