Gardening Club – Summer Term 1

Dear Parents,

Gardening Club is starting again in Summer Term 1.

Everything is springing up and ready to bloom in this fantastic and exciting season!

This club takes place in the main playground where we will utilise the raised beds and surrounding spaces, growing kitchen herbs, fruit and vegetables, together with flowering plants and shrubs and clearing away the old growth. This club is open to all children from **Year 1 up to Year 6**. It will give the children a chance to appreciate where our vegetables and fruit come from and to enjoy the outdoors, gardening and nature.

Gardening club will start on **Wednesday 30th April**, and will take place **during lunch break from 12.30 – 1 pm** in the big playground. The club will run for 3 weeks until **Wednesday 14th May 2025**.

In order to purchase gardening equipment, pots, seeds, bulbs, compost etc., we are asking for a donation of £3.00 for the 3 weeks of gardening club. Also, if you are able to donate any planter pots or bulbs or fruit plants or cuttings, everything is greatly appreciated.

If you would like your child to take part in this club, please email the office on admin@holysalemoor.co.uk with the subject title GARDENING CLUB and send in **cash** payment to the school office before the start of the club. Please note that **places are limited** to 15 children.

We do have children's gardening gloves available, however if your child already has their own gloves at home, they can bring them on the day to use. Please ensure gloves are labelled with your child's name. As we may also use latex gloves for certain activities, can you please let me know if your child is unable to wear these gloves during this club.

Many thanks,

Yours sincerely,

Mrs R Scerri
