

Dear Parents and Carers,

This academic year, led by the new Friends of Holy Family committee, we are striving to raise funds to help improve our school. We are targeting £15,000, which will enable us to provide a makeover for Nursery, improving the education and play areas.

The Friends of Holy Family is a group of parents/carers and school staff who are committed to raising funds by hosting events throughout the school year.

We have already made significant progress in our aim of raising £15,000. So far, in total, we have raised £4295 through a combination of the Quiz night and the Christmas Fair. In addition, we recently hosted a Pig Race Night with the total raised still to be added to our goal.

This means that we are able to move forward with the first part of the development of the Nursery area which will take place during the upcoming February Half Term.

There is still plenty of funds to be raised and we would love to have your support. If you think you would like to be part on the new committee or, simply, wish to help out with an event, then please drop us a message at FriendsofHF@gmail.com or speak to your Class Representative.

In 2026, we shall be organising a Chocolate Bingo event on Friday 27th March, a surprise event, and the Summer Fair (when we will all be crossing our fingers and toes for some Sale Moor Sunshine!). Further details for all these events will be published in the School Newsletter and via the Class Representatives.

Thank you to everyone who has helped raise funds, to date, we look forward to your continued support.

Best wishes
