Hello Everyone!

This week we have been celebrating all things Science with a range of exciting workshops, investigations and hands on experiments. You can read more about our Science Week activities later in the newsletter.

Alongside our scientific learning, we have also enjoyed welcoming families into school for Stay and Pray sessions, assemblies and showcased our musical and sporting talents. Our youngest children have been adventurers this week completing another week of enriching learning across the school.

Year 3 Stay and Pray

On Monday, we welcomed parents from Year 3 into school to join in with our Stay and Pray session. The children led the session based on St Matthew's Gospel 9:38-10:8 about Jesus' compassion for others and how we can all help each other to be disciples.

Thank you for sharing this simple message with us Year 3!

KS2 Cricket

On Tuesday, some boys from Key Stage 2 went to Sale Sports Club to take part in the first round of Trafford's Dynamo cricket competition along with other local schools. The boys represented the school so well displaying wonderful teamwork and skills. The boys gained a well deserved 3rd place overall! Well done Boys!

Celebrating Science Week

Throughout the week we have been celebrating Science Week and exploring this year's theme of ***Curiosity—What's your Question?*** We have had Adrian Bowden from the ***Travelling Science Show*** into school to deliver workshops and in class children have been exploring their own question around Science. We also had some Key Stage 2 children go to Springfield school this week to take part in a '***Great Science Share***' with other local schools. The children had a wonderful time and presented their own Science experiment so well to other schools. Well done everyone!

Dates for Summer 2 Half Term

17th 9.05am Parents in Values Assembly

20th 6.30pm Year 6 Leavers Mass

21st 1.30pm CHILDREN FINISH HERE FOR END OF YEAR!

STAFF CAR PARK

Please can we remind parents that the staff car park should not be used for parking either during morning drop off or afternoon collection times.

We have staff arriving and leaving throughout the day and we need to keep the spaces available for this and any other visitors to school. In addition, for the safety of all children, the staff car park and access gates must remain clear, as vehicles may be entering and exiting at any time.

Thank you for your co operation in helping us to keep our school site safe for everyone.

Attendance

A big well done to Reception, KS1 and Year 4 for achieving high attendance this week.

We are continuing to ask all parents to make attendance a top priority. Every school day matters. Together we can ensure that all pupils are in school, on time and ready to learn.

Thank you in advance for your continued support with this important matter.

ATTENDANCE

	LAST WEEK	THIS WEEK
RECEPTION	99.4%	99.4%
YEAR 1	96.4%	98.2%
YEAR 2	96.2%	97.9%
