Dear Parents,

We are delighted to share that, as part of our **Black History Month** celebrations, we have booked an exciting **African Dance Workshop** for all children on Friday 9th October 2026.

These sessions offer a fun and engaging way for children to learn about the rich traditions, history and rhythms of Africa. Led by professional dancers, the workshops will introduce pupils to a variety of traditional and contemporary African dance styles in an interactive and enjoyable way.

During the workshop, children will:

- Learn basic African dance steps and movements.
- Discover the stories, meanings and cultural significance behind the dances.
- Work together to create and perform a simple choreographed routine.

The sessions are much more than just dancing. Through engaging storytelling, energetic music and movement, pupils will embark on a journey into African history and culture, helping to bring their learning to life in a memorable and meaningful way. The workshops have been carefully designed to be suitable for different age groups and abilities, ensuring that all children can participate and enjoy the experience.

To help cover the cost of this enrichment activity, we are asking for a voluntary contribution of £3.50 per child. While no child will be excluded from participating if a contribution is not made, we can only continue to offer experiences such as this with the support of parental contributions.

We would be grateful if contributions could be made by **Thursday 8th October** via Parentmail or cash payment to the office.

Thank you for your continued support. We look forward to giving the children an exciting and memorable experience as we celebrate Black History Month together.

Yours sincerely,

Mrs Sharvin

'At Holy Family we grow, learn and succeed in the footsteps of Jesus.'
