Help Us Bring Real Life into Our Early Years!

We are excited to be developing our Early Years environment and would love your help!

We are looking to transform our Home Corner from a collection of traditional toys into a more authentic, real-life space where children can explore, imagine and recreate the experiences they see every day at home.

We believe that the best resources don't always come from a toy shop! Many of us have everyday household items sitting unused at home that could become fantastic resources for our children.

Donations needed

🏠 For our Home Corner, we would love donations of:

- Old pots, pans and cooking utensils
 - Wooden or steel plates
 - Cups, mugs and cutlery
 - Cake tins and stands
 - 4x6 & 5x7 photo frames
- Handbags, glasses, purses and wallets
- Old telephones or mobile phones (without SIM cards)
 - Old keyboards, calculators, torches, radio
- Baby care items such as empty, clean bottles
- Old diaries, notebooks, calendars and pens
- Hairbrushes, combs and other safe dressing/grooming items
 - Tall lamp
 - Mirror
- headphones, keys, remote control, egg timer
- Anything else that could help children recreate everyday home experiences!

Donations needed

🌳 We would also welcome items for our outdoor provision:

- Buckets, spades and gardening tools
- Plant pots and containers
- Paint brushes, rollers
- Wooden spoons
- Tarpaulin
- Maps
- Watering cans
- Water butt
- Wooden crates and boxes
- Baskets and tubs
- Large cardboard tubes
- Tyres
- Planks or pieces of untreated wood
- Old kitchen utensils for our mud kitchen
- Gardening equipment suitable for children
- Natural materials such as logs, sticks and stones

Donations needed

Please don't go out and buy anything! We are particularly interested in items that you no longer need or use at home. Giving these objects a new purpose allows our children to explore, investigate and develop their imagination through meaningful play.

All donations will be checked by our Early Years team to ensure they are clean, safe and suitable for use.

If you have something at home that you think might be useful but you're not sure, please feel free to send it in or speak to a member of the Early Years team.

Thank you for helping us create an exciting, authentic and inspiring environment for our children to learn through play! ❤️
