Gardening Club – Autumn Term 1 2026

Dear Parents,

Gardening Club will be restarting in this new term back to school. This club will take place during the lunch break, in the main playground where we will utilise the raised beds and surrounding spaces, growing kitchen herbs, fruit and vegetables, together with flowering plants and shrubs and clearing away the old summer growth.

This club is open to all children from **Year 1 up to Year 6**. It will give the children a chance to appreciate where our vegetables and fruit come from and to enjoy the outdoors, gardening and nature.

The gardening club will start on **Tuesday 22nd September,** and will take place **during lunch break from 12.30 – 1 pm** in the big playground. The club will run for 4 weeks until Tuesday 20th October 2025.

In order to purchase gardening equipment, pots, seeds, bulbs, compost etc., we are asking for a **cash** donation of £4.00 for the 4 weeks of gardening club.

If you would like your child to take part in this club, please could you email the office on admin@holyfamilysalemoor.co.uk with the subject title **GARDENING CLUB**.

Please note that **places are limited** to 15 children.

We do have children's gardening gloves available, however if your child already has their own gloves at home, they can bring them on the day to use. Please ensure gloves are labelled with your child's name. As we may also use latex gloves for certain activities, can you please let me know if your child is unable to wear these gloves during this club.

Many thanks,

Yours sincerely,

Mrs R Scerri
